CHURCH HISTORY & VISION

Flowood Baptist Church was 'born' during a tent revival in 1941, first being known as Pearl City Baptist Church and located in an area that would later become the city of Flowood. As this new community grew and prospered, the Church was incorporated in 1961 and the name was changed to match the community. During over fifty years of growth and renovation, it became a landmark on Flowood Drive.

As industry around the church developed, the Mississippi Department of Transportation and the City of Flowood disclosed plans to four-lane Highway 468 (Flowood Drive), the lanes of which would run right through the center of Flowood Baptist's auditorium. The church was forced to seek a new location. After much prayer and long searches, it was learned that property could be purchased on Old Fannin Road in a fast-growing residential area of Flowood. After acquiring seven acres of property and a house, planning continued over the next couple of years before final plans could be drawn and construction begun. In early 1997, the first worship services were held in our new multi-purpose building. The auditorium also serves as fellowship space and includes an adjoining kitchen. The house that came with the property serves as the church office.

The new building included an educational wing that was, at first, adequate for our needs; but fortunately, we soon outgrew it. Plans were then set in motion for another educational/fellowship building that was completed in 2000. As we grow, we plan to build again. The front of the church property will be the site of our sanctuary and worship center.

This is Flowood Baptist Church, an ever-growing, ever-loving family of believers; a church family with a vision toward God's plan for the future! We invite you to join with us in worshipping our Lord. Come share in our mission!
